## One-day wellbeing programs

## Experience and background

Creating Chances has been working with schools and students to design and deliver high impact, engaging programs for over 15 years.

Our education team will work with you to design a program tailored to meet the needs of your students, with sessions that leave a positive and lasting impression on both students and staff.

### Focus areas include:

- Positive relationships
- Building resilience
- Conflict management
- Social media and online presence
- Engagement with school
- Overcoming stereotypes
- Stress management
- Empathy and advocacy
- Plus other unique themes
