ACHIEVE

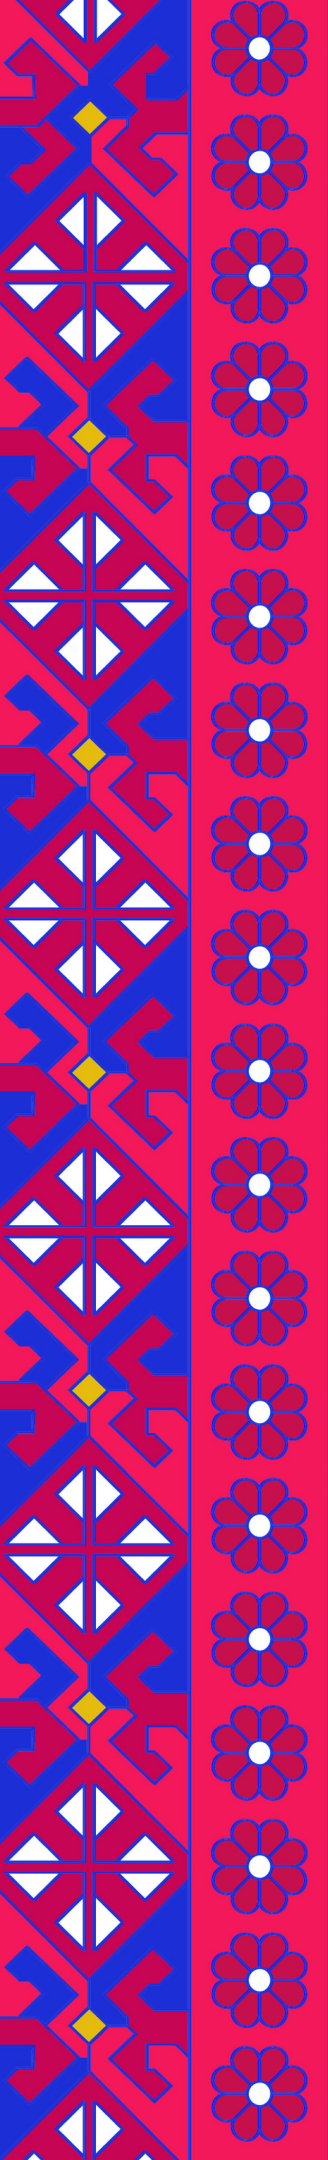

# About the Program

In November 2022, Creating Chances Football United will be hosting the Arezo Women's Sports Leadership Program supported by Migration Council Australia and the University of New South Wales.

The 4-day leadership program will select 20 Afghan female emerging leaders in sport across Australia.

The program will provide emerging female leaders a sophisticated learning experience with access to expert facilitators, professionals, and develop skills to expand their network, create pathways to further education and employment, and opportunities to lead change in their community.

# Purpose

By bringing together passionate women across Australia we want to provide a platform where every woman will feel welcome to contribute and collaborate; enhance their knowledge and skills on leadership, coaching and sport for social change; and be empowered to create positive impact in their local community through inclusive programs and events.

Creating Chances Football United has extensive experience in hosting world-class leadership development programs for emerging leaders in an experiential learning environment that builds friendships and networks that last a lifetime.

# Why sport?

Sport has been increasingly recognised and used as a low-cost and high-impact tool in humanitarian, development and peace-building efforts. By its very nature, sport is about participation, inclusion and citizenship.

Football United seeks to foster strong links, inclusion and cross-cultural interactions between women, organisations and businesses.

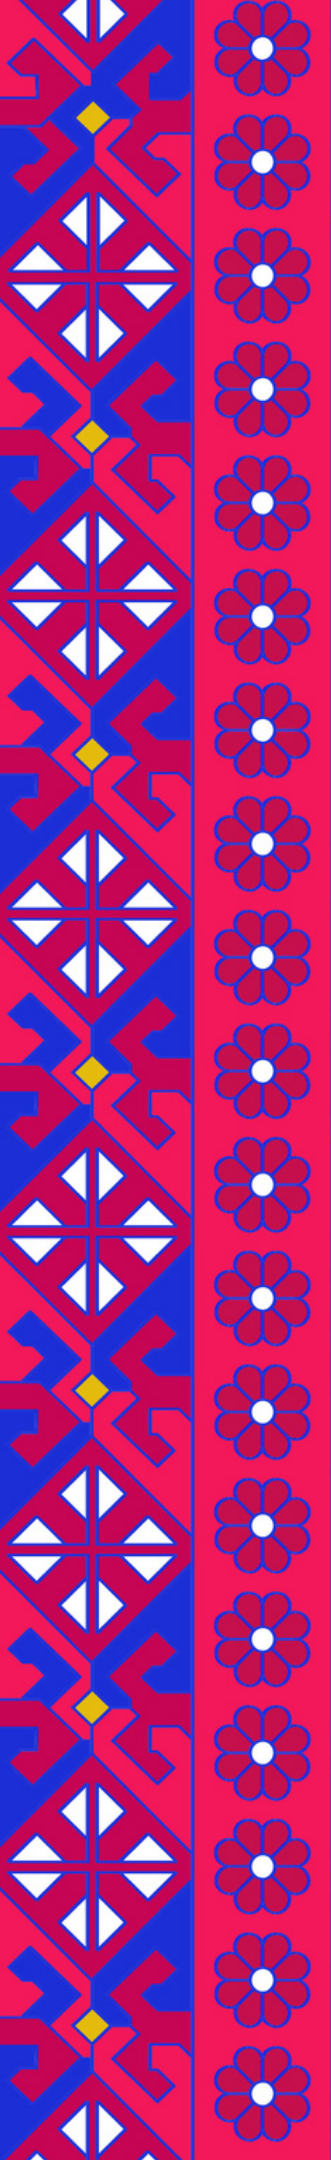

Enabling women's involvement in sport can challenge broader discriminatory norms and offer specific opportunities for empowerment.

# The Venue

The University of NSW Australian Graduate School of Management Building is the perfect venue for meetings, conferences and events combining contemporary training facilities with executive accommodation. This superb training and executive education centre is designed to inspire you to learn and interact in a vibrant, modern and innovative environment.

# Themes

## Dream

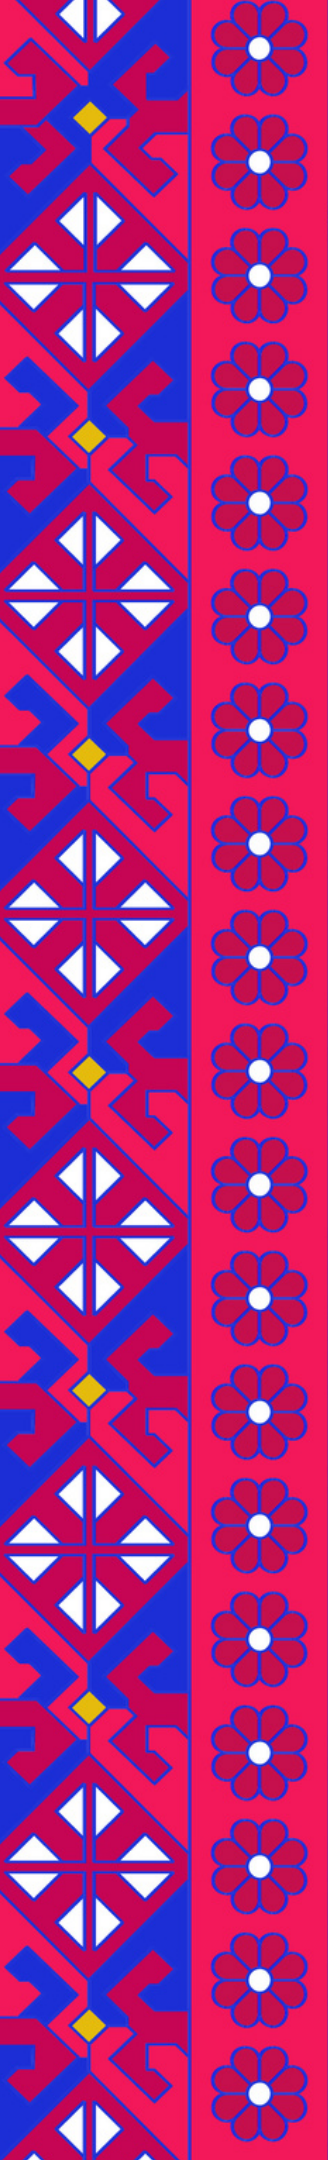

Participants will be inspired and explore goals and ambitions through a series of workshops, key note presentations, and game design activities.

## Believe

Participants will be guided through a self-reflection process to develop self-awareness as well as conflict management and growth mindset activities. Participants will participate in mentoring and networking activities.

## Achieve

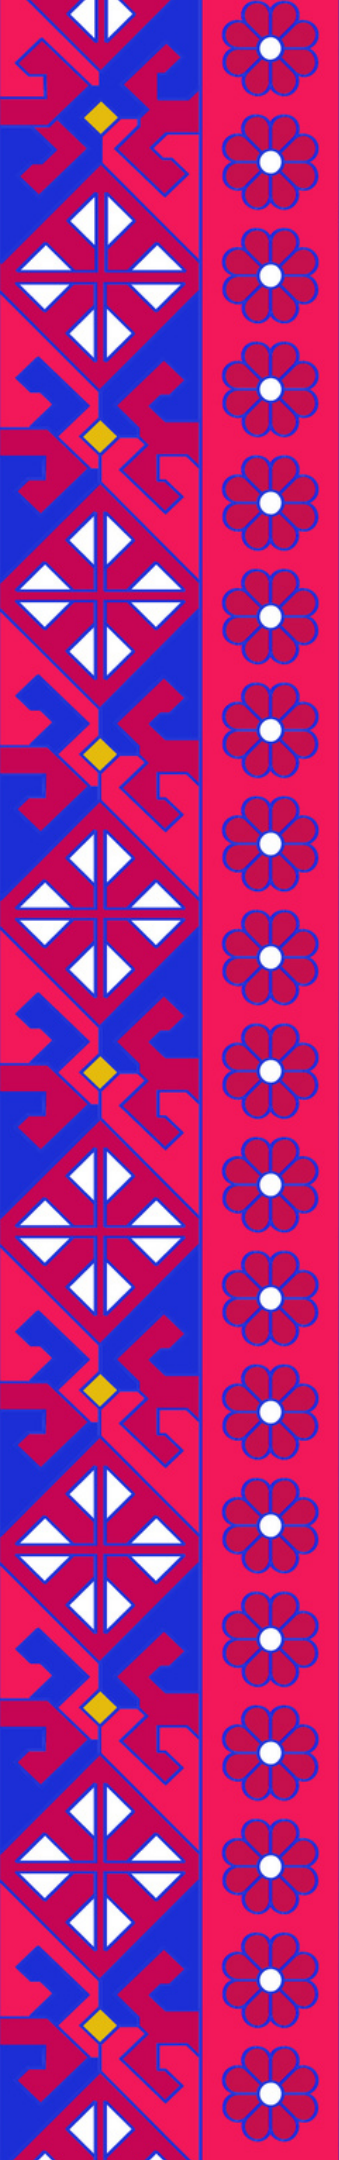

Participants will apply a human-centred design-thinking process to inspire action to promote sport and wellbeing in their communities.
